

## *A Message from the Treasurer's Desk*

With your help, NY Inter-group was able to stay afloat during the worst part of the COVID-19 pandemic last year. We managed – with some uncertainty and your gracious support to cover the hefty Zoom bill we encountered from March 2020 through March 2021.

While the transition to group-supported Zoom accounts went smoothly in February and March, contributions to NY Inter-group dropped significantly. As a result, we had to dig into our less-than adequate prudent reserve by about \$40,000.

It is our hope that we can continue to count on you and your groups for a little extra support? Just a few dollars from each of you can make a huge difference – ensuring that NY Inter-group stays strong with the ability to help the still struggling alcoholic and our local groups convey the message of hope.
